

SHOCK 3/31/12

SHOCK 3/31/12

called 911

Bedroom floor 4:00 a.m.

Long crawl talking, praying

'I'm talking so I'm breathing,

get help, Help! No one's hearing me

911 call them. Climb up to phone

Called Jessie, 911 came filled me

Full of sugar bs 80 when they left

Slept, woke 9:15, bs 445, Hmlg 10u

Feel a bit dizzy

Broke plastic basket on floor

Blood on white shirt

Anything psychological?

Don't care, behavior and condition,

high blood sugar sleepover in a.m.

took large correction,

ate only 2 meals

10u this a.m. w/bowl of oatmeal
